---

- Learners should have Level 2 qualifications or equivalent.
- Learners with work experience in a business environment and clear career aspirations can also be eligible.
- Learners who possess a Level 3 qualification in another field and wish to develop their business management skills.

## Equivalences

---

The Qualifi Level 3 Diploma in Business Management is comparable to other Level 3 vocational qualifications within the Regulated Qualifications Framework (RQF), such as A-Levels or equivalent qualifications. It provides a solid foundation for learners seeking higher education or entry-level business roles.

## Qualification Structure

---

The qualification comprises both mandatory and optional units. The structure allows learners to focus on key areas of business management while providing some flexibility to tailor their studies to specific interests or career goals.

## Duration and Delivery

---

- **Duration:** The qualification typically takes 6 months to complete, with a total qualification time (TQT) of 600 hours.
- **Delivery:** The course is available through distance learning, face-to-face learning, and hybrid modes of study. This flexibility allows learners to choose the learning method that best suits their needs.

## Assessment and Verification

---

- **Internal Assessment:** Learners are assessed through assignments, case studies, and projects. These assessments are evaluated internally by qualified assessors at approved centres.
- **External Quality Assurance:** The assessments are subject to external verification by QUALIFI to ensure consistency and quality in the assessment process.
- **E-Portfolio System:** QUALIFI provides an e-portfolio platform where learners can upload their work for marking and quality assurance. This system helps streamline the assessment process and provides transparency for both learners and assessors.

## Progression

---

Upon successful completion, learners can progress to:

- Level 4 qualifications in Business Management or related fields.
- Year 1 of a UK Bachelor's Degree in Business or a related subject.
- This diploma also opens doors to entry-level business management roles in various sectors, equipping learners with essential business skills needed for career advancement.
